RE: Outpatient Imaging Center changes

Dear Practice Manager:

This letter is to inform you that, effective March 1, 2016, iSelect is Arizona Priority Care's (AZPC) exclusive Outpatient Imaging Services and Utilization Management provider for outpatient imaging. Any AZPC member requiring outpatient imaging services must be referred to iSelect. Referral to any other imaging provider could result in delay of services to the member and that imaging center's claims may be denied.

Effective March 1, 2016, all outpatient imaging orders need to be faxed to iSelect. If you need to use a non-contracted outpatient imaging provider, you must obtain a prior authorization through iSelect.

In the next few weeks, you will be contacted by your AZPC Provider Relations Representative to provide you with detailed information regarding iSelect and how to access their services.

If you have any questions regarding this notice, please contact our Provider Network department at (480) 499-8720.

Sincerely,

Amish Purohit, MD, MHA, CPE, FACHE
