

February 26, 2016

Dear Provider:

This letter is to inform you, **effective April 1<sup>st</sup>, 2016**; Arizona Priority Care (AZPC) has chosen Center for Dermatology as its exclusive partner for Dermatology services in Maricopa and Pinal Counties. Any AZPC member requiring Dermatology services in the emergency room, the inpatient setting or on an outpatient basis should be referred directly to Center for Dermatology. For scheduling, please contact Center for Dermatology at the number listed on Attachment "A". This is imperative to the care of our members as we want to maintain continuity of care for members within our preferred Dermatology network.

Authorization requests for members to see any other Dermatologists not part of Center for Dermatology will not be approved. All authorizations currently outstanding will expire March 31, 2016. Claims from non-contracted groups, without prior authorization, may be denied. In the inpatient setting, any members seen by a non-contracted Dermatology provider will be redirected to Center for Dermatology. The member will be expected to follow up with the contracted group once discharged.

If for some reason you need to use a non-contracted Dermatologist, you must obtain a prior authorization by contacting our Prior Authorization Team at (480) 499-8720. We urge you to ensure that all Dermatology referrals are sent to Center for Dermatology. Please see the attached Center for Dermatology provider listing.

If you have any questions regarding this notice, please contact AZPC Provider Network Department at (480) 499-8720.

Sincerely,

Amish Purohit, MD, MHA, CPE, FACHE  
Chief Medical Officer
