RE: In-Network Contracted Hospitals

Dear Practice Manager:

This letter is to remind you that, effective January 1, 2016, Banner Health Hospitals and IASIS Health Hospitals are Arizona Priority Care's (AZPC) preferred Hospital providers. Any AZPC member requiring elective hospital procedures must be referred to a Banner Health or IASIS Health hospital facility. Referral to any other hospital facility could result in delay of services to the member.

If you need to use a non-contracted hospital provider for elective procedures, you must obtain a prior authorization through AZPC. This means that only emergency services at a non-contracted hospital will be covered by AZPC's Medicare Advantage plans.

If you have any questions regarding this notice, please contact our Provider Network department at (480) 499-8720.

Sincerely,

Marie Cremisino  
Director, Network Strategy and Contracting
