Dear Provider:

This letter is to inform you, **effective July 1st, 2017**; Arizona Priority Care (AZPC) has chosen Pulmonary Associates as its preferred partner for Pulmonology services in Maricopa County. Please see the enclosed listing of Pulmonary Associates locations.

Beginning immediately, please refer your patients to Pulmonary Associates via the AZPC current Prior Authorization process. As of July 1, 2017, all Pulmonology referrals are to be sent via direct referral to Pulmonary Associates.

Any AZPC member requiring Pulmonology services in the emergency room, the inpatient setting or on an outpatient basis must be referred to Pulmonology Associates. We appreciate your cooperation in assisting us in this to maintain continuity of care for members within our preferred Pulmonology network.

Referrals for members to see any other Pulmonologists not part of Pulmonary Associates may not be approved. Claims from non-contracted groups, without prior authorization, may be denied. In the inpatient setting, any members seen by a non-contracted Pulmonology provider will be redirected to Pulmonary Associates for follow-up care once discharged.

If for some reason you need to use a non-contracted Pulmonologist not a part of Pulmonary Associates, you must obtain a prior authorization and can contact our Prior Authorization Team at (480) 499-8720.

For any questions regarding this notice, please contact our Provider Network Department at (480) 499-8720.

Sincerely,

Amish Purohit, MD, MHA, CPE, FACHE
Chief Medical Officer
