OPTION 2 - WEBINAR

OR “Go at your OWN pace, Webinar Training:

- “Essentials of ICD-10 Training” (For Staff Only 3 hours total training)**
Designed to provide attendees with a high-level overview and understanding of ICD-10. The training is ideal for administrators, clinical staff, front office staff, ancillary staff and others needing ICD-10 awareness and a basic understanding of ICD-10 but who are not directly involved in implementation, coding, and/or clinical documentation activities.
- “ICD-10 Documentation Training for Physicians” (For Providers Only – 3 hr modules available)****
Designed to educate attendees on documentation requirements in order to meet the ICD-10 coding and reporting of diagnoses. There are 21 modules broken down into specific specialties (available over the next 12 months).

***For an additional fee of \$45; you can get CME credit.*

Please return your completed form to us no later than September 11, 2015 via fax at 480-403-8209 or via email at providerrelations@azprioritycare.com.
