Arizona Priority Care (AZPC) promotes the health and wellbeing of our members. Your health is important to us and we want to simplify access to the care you may need. AZPC has a network of over 4000 providers, including 350+ PCP offices. For your convenience we have created maps of the greater Phoenix area listing some of our provider groups.

Please note: due to the scale of our network, we are unable to list all of our providers on this document. For a complete database of providers, please use our Find a Provider search tool at <https://azprioritycare.com/for-patients/find-a-provider/> or scan the QR code below.

Visit our Find a Provider page!

For more information about our services and programs, call us Monday - Friday from 8 a.m. to 5 p.m. at 1-480-499-8700 or visit our website at azprioritycare.com
