IMPORTANT

This change summary should be reviewed together with the current Services That Do Not Require Prior Authorization list. Benefits, eligibility, medical necessity, and applicable plan requirements must still be verified.

PROCEDURES & SERVICES THAT DO NOT REQUIRE PRIOR AUTHORIZATION

- ❖ This grid is **ONLY** applicable to providers participating with AZPC, and when services are provided in-office, at home, in a free-standing facility, or in an outpatient setting.
- ❖ Prior Authorization is **ALWAYS** a requirement for providers who are **NOT** in our network.
- ❖ Prior Authorization is **ALWAYS** a requirement for elective inpatient admissions.
- ❖ Benefits and eligibility must **ALWAYS** be verified with the health plan.
- ❖ Failure to obtain prior authorization for procedures or services not on this grid may result in denial of coverage; as a result, financial responsibility may be yours.
- ❖ This grid applies to all members; it is intended to be a guide and does **NOT** guarantee coverage or payment.
- ❖ Medical benefit plan language supersedes the general information provided on this grid.
- ❖ The presence or absence of an item on this list does not define whether or not coverage or benefits exist for the service or procedure and CPT Code.
